ESERVES SUPPORT OF

There is nothing that helps more advance the interests of a community or county than a county newsunity or county nam a county news-aper. This fact is conceded by verybody that knows anything at il about public affairs. Yet there are many people who thoughtlessly efrain from supporting a county

The Jeffersonian, established about ve years ago, has always been de-oted entirely to the interests of all voted entirely to the interests of all of Jefferson county, and we have every reason to be groud of the hearty support we have received at the hands of the clitzens of this county. But a few suggestions for future cooperation and support may not be out of place at this time.

The Jeffersonian is not bound to any political party or set of men; it represents no certain class of people justised or residents of Jefferson county. It does stand for the development of the schools, the church,

over expertance out to the interests of all of deferson country, and we have received at the masks of the clittens of this country people of the state of the state of the schools, the church, roads and public institutions and the professor of the schools, the church, roads and public institutions and enterprises. It also stands for the opient of the schools, the church, roads and public institutions and enterprises. It also stands for the opient of the people generally and the proper work done at this time. The price are been the professor of the country have professor of the country are published seekly. When there is a question to come up concerning the schools of the country are published of the country are published to the country are published to the proper way to dispose of the country that people generally and the proper way to dispose of the country that people done and worthy things in life. When there is a question to come up concerning the schools of the country are published to the proper way to dispose of the country to Jeffersonal and the proper way to dispose of the country to Jeffersonal to come up concerning the schools, etc., and you are made acqualated with the true state of the country and the proper way to dispose of the country in the proper way to dispose of the country may to the proper way to the proper way

The merchants and business men that advertise in this column appreciate trade of country people, and are recommended by The Jeffersonian.

A Nervous Woman Finds Relief After Many Years

nervousness, often endure nuch suffering before finding any relief. Mrs. Daniel Kintner, of Defiance, O., had such an experience, regard-ing which she says:

MRS. DAN KINTNER, 1002 Pleasant St., Defiance, C

1002 Pleasant St., Defance, O. Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is umnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.
